

# NEW from Electric Yacht Weekender Hybrid add-on

## Incorporating our new brushless **Quietorque™** Systems

Keep your diesel for cruising long distances and battery charging, but enjoy the peace and convenience of electric power for the majority of your short trips—such as going out to sail.

Weekender Parallel Hybrid (Add on to new or existing engine)	Recommended Battery Bank Range		
	Lead-acid Flooded	Lifeline/AGM	LiFePO4
<b>WE 3.5</b> (70A, 3.5kW, 4shp)	80Ah - 100Ah	80Ah - 100Ah	60Ah - 100Ah
<b>WE 7.0</b> (140A, 7.0kW, 8shp)	100-150Ah	100-150Ah	100Ah - 130Ah
